### DECLARATION 18/042

<b>MANUFACTURER:</b>	TELIC, S.A.U.
<b>ADDRESS:</b>	Polígono Industrial Can Barri. C/ Molí d'en Barri, 7-9 E-08415 Bigues BARCELONA – SPAIN

We hereby DECLARE that product DESFI-DORMO® Defibrillation electrodes with reference EDC-1015 manufactured by TELIC, S.A.U., is reported as suitable for a safe use with the defibrillation equipment LIFE PACK 20 and LIFE PACK 20E. However, the manufacturer of the defibrillation equipment have to certify that the product meets with EN 60601-2-4 standards requirements.

Nevertheless, Telic, S.A.U. may not assume responsibility regarding compatibility of defibrillation electrodes as there is no legal binding between the company and the defibrillation equipment manufacturer. Available data on the compatibility of the defibrillation electrodes is based mainly on sales experience and the knowledge acquired by Telic thanks to the confidence with their customers.
